

trax bed

Similar to the Trax seating, the Trax bed's profile and angled head board create a dramatic addition to any bedroom. Its bold solid wood beam legs provide a sense of balance & luxurious precision, while supporting a fully upholstered frame. The purposeful head board promotes a comfortable position to sit up, lean back, and relax, while the extended head board sides create a cove that cradles the mattress.

Specifications Solid wood legs with upholstered body. Available in walnut, white oak, or ebonized oak. Upholstery may be sourced COM, COL, or suggested fabrics and leather. (COM requirements = 10 yards for queen, 11 yards for king, 12 yards for California king).
